指卡及計時系統

SI card and Timing System

是次賽事將採用 SPORTident 電子打卡計時系統，賽員的成績將以指卡紀錄計算。大會並不接受賽員以任何其他形式，包括但不限於拍照、他人作證等證明自己曾到訪控制點。

This event will use the SPORTident electronic punch-in timing system, and the competitors' scores will be calculated based on their SI card records. The organiser does not accept contestants to prove that they have visited the control point in any other form, including but not limited to taking pictures and testifying by others.

指卡須緊扣於賽員的手指上，FAM、ND 則只需其中一名成員戴上指卡。

The SI card must be tightly fastened to the player's finger, while only one member is required to wear the finger card for FAM and ND.

賽員有責任確保指卡能成功放置入電子打孔器的圓孔內，包括清除器、起點器、各控制點及終點器 (如下圖示)，直至電子打孔器閃亮及發出「嘟」響聲。如賽員在打卡時發現指卡有問題，請盡快通知工作人員更換指卡，如在下載成績時大會不能讀取已打卡的紀錄，賽員不得以系統失效作為上訴理由。

Competitors have the responsibility to ensure that the SI card have successfully placed in the hole of the unit, including CLEAR, START, control points and FINISH (as shown in the figure below), until the unit flashes and emits a "beep" sound. If competitors find a problem with the SI card when punching, please notify the race officials to replace the SI card as soon as possible. If the organiser cannot read the punched-in record when downloading the results, the contestant shall not use the system failure as the reason for appeal.

指卡紀錄了賽員到訪各個控制點的時間及順序。是次賽事為奪分式，如賽員在賽事途中誤打非所屬賽程的控制點，只須無視誤打的控制點，繼續進行賽事便可。

The SI card records the time and order of the competitors visiting each control point. This competition is of the Score Sprint-O style. If a player mistakenly hits a control point that is not part of their course during the race, they can ignore the mistakenly hit control point and continue the competition.

指卡記憶體有限，賽員盡量不要將指卡置於非自己需要到訪的控制點電子打孔器上，否則你的成績將有機會不能被準確計算。賽員切勿將已打終點器之指卡置在任何電子控制器上。

The memory of the SI card is limited. Competitors should avoid punching control points that they do not need to visit, otherwise their score may not be calculated accurately. Competitors must not punch any units after punching FINISH.

下載成績後賽員可即時領取成績單，唯分段時間僅供參考。最終成績請留意大會在登記點的最新公佈。

After downloading the results, competitors can receive their result slip immediately, yet it is for reference only. Please pay attention to the latest announcement of the organiser in the Registration Area for the final results.
